HP LaserJet Pro MFP M426 Series

A fast, efficient MFP with robust security and innovative toner for more pages.2

Fast print, scan, copy, and fax performance plus robust, comprehensive security built for how you work. This MFP finishes key tasks faster and guards against threats.1 Original HP Toner cartridges with JetIntelligence give you more pages.2

Speed through more tasks. Keep data protected.
- Scan fast with single-pass, two-sided scanning, and send your work quickly to more places—without using your PC. Scan documents directly to email, network folders, and the cloud.3
- Breeze through multipage documents with two-sided printing that’s faster than the competition.1
- Grab pages and go—without waiting around. This MFP wakes up and prints faster than the competition.1
- Keep printing safe—from boot up to shutdown—with embedded features like LDAP authentication.

Easy management. Efficient printing.
- Easily manage print jobs directly at the MFP—just tap and swipe the 7.6 cm (3-inch) touchscreen.5
- Easily print Microsoft® Word and PowerPoint® documents—now directly from your USB drive.4
- Easily manage devices and settings using HP Web Jetadmin with a suite of essential management features.6
- Print using less energy than competitors—enhanced by Original HP Toner cartridges with JetIntelligence.7

More pages, performance, and protection
- Get the most prints for your money—with Original HP High Yield Black Toner cartridges with JetIntelligence.3
- Count on professional quality at high speeds with precision black toner.
- Help ensure you’re getting the authentic HP quality you paid for with innovative anti-fraud technology.
- Print right away with preinstalled toner cartridges. Replace them with optional high-yield cartridges.

Stay connected with easy mobile printing options
- Easily print from a variety of smartphones and tablets—generally no setup or apps required.8
- Count on wireless direct printing in the office—from mobile devices—without accessing the company network.10
- Help workers print with just a touch of their NFC-enabled mobile device to the printer—no network needed.11
- Easily access, print, and share resources with Ethernet and wireless networking.9

1 Based on HP internal testing of top three leading competitors’ first page out from sleep-mode and duplex print and copy speed-completed 8/2015. Subject to device settings. Actual results may vary. For details see hp.com/claims.2 Based on cartridge yields for HP BX1 compared with HP 26X Original HP LaserJet Toner Cartridges. For more information, see hp.com/support/bx1supplies.1 Requires an Internet connection to the printer. Services may require registration. App availability varies by country, language, and agreement. For details, see hpconnected.com.4 Microsoft and PowerPoint are U.S. registered trademarks of the Microsoft group of companies. Feature works with Microsoft Word and PowerPoint 2003 and later. Only Latin language fonts are supported.4 Requires a wireless access point and an Internet connection to the printer. Services require registration. App availability varies by country, language, and agreement and requires a firmware upgrade. For details, visit hpconnected.com.3 HP Web Jetadmin is free and available for download at hp.com/go/webjetadmin. Based on HP testing using the ENERGY STAR® Program’s Typical Electricity Consumption (TEC) method as reported by printer alone out of top three leading competitors as of 8/2015. Actual results may vary. For details see hp.com/claims.8 Wireless operations are compatible with 2.4 GHz operations only. App or software and HP ePrint account registration may also be required. Some features require purchase of an optional accessory. Learn more at hp.com/go/businessmobileprinting.7 Feature available only for the HP LaserJet Pro MFP M426fdw. Wireless performance is dependent on physical environment and distance from access point, and may be limited during active VPN connections.11 Feature available only for the HP LaserJet Pro MFP M426fdw. Mobile device needs to be connected directly to the Wi-Fi network of a wireless direct-capable MFP or printer prior to printing. Depending on mobile device, an app or data plan may also be required. Learn more at hp.com/go/mobileprinting.12 Feature available only for the HP LaserJet Pro MFP M426fdw. Requires a compatible NFC-printing-enabled mobile device. For a list of compatible NFC-printing-enabled mobile devices, see hp.com/go/nfcprinting.
**Product walkaround**

1. Intuitive 7.6 cm (3-inch) colour touchscreen tilts for easier viewing while sitting or standing
2. 50-sheet automatic document feeder (ADF)
3. Flatbed scanner handles up to 216 x 297 mm paper
4. 150-sheet output bin
5. Built-in wireless direct printing¹ and NFC touch-to-print⁴
6. Front door release button (access to HP JetIntelligence Toner cartridges)
7. Automatic two-sided printing
8. Built-in wireless networking²
9. Easy-access USB port
10. Power on/off button
11. 100-sheet multipurpose tray 1
12. 250-sheet input tray 2
13. USB port for job storage with PIN printing³
14. Hi-Speed USB 2.0 printing port
15. Ethernet network port
16. Telephone “line out” port
17. Fax “line in” port
18. 1200 MHz processor, 256 MB memory
19. Rear door (access to print path)
20. Dust cover for tray 2—flips up when A4 paper is loaded

HP Services

Downtime can have serious consequences, so HP provides support beyond the standard warranty. You benefit from reduced risk, maximized uptime, predictable service delivery and no unbudgeted repair costs. Choose from:

Optimized Care (optimum performance and stability): 4 hour Onsite Support, Maintenance Kit Replacement Service, Installation with Network Configuration Service

Standard Care (high level of uptime): Next Business Day Onsite Support, Maintenance Kit Replacement Service, Installation with Network Configuration Service

Basic Care (minimum recommended support): Next Business Day Onsite Support

4 hr Onsite Support: Onsite support within four hours after a service call received within the coverage window

Next Business Day Onsite Support: Onsite service the next business day after the service call is received

Maintenance Kit Replacement Service: Onsite replacement of your printer’s maintenance kit including parts, materials, and labor

Installation with Network Configuration Service: Assembly, network configuration, and basic administrator familiarization
